Objective | To gain work experience in a rewarding environment that pushes my skills creatively, personally and technically while pursuing my goal of becoming a writer/director.

Experience | Volunteer Videographer; RSPCA QLD October 2010—Present
—The role involves filming and editing footage of animals under the care of the RSPCA and placing the video on YouTube to increase chances of adoption.

| Animator; “Fourteen, Frets and Faith” & “No Isn’t A Dirty Word”, Urangan State High School August—December 2008

- Worked extensively with staff and students to help them become familiar with the 3D modelling practices, workflow and interface of Blender.
- Worked with students to build, revise, texture and rig their own models, further encouraging them to create their own characters and animations.
- Ran weekly workshops after school hours and through the holidays.
- Modelled, textured and rigged two main characters.
- Animated several shots for “No” while developing keyframe poses and timing with students for their own shots.
- Storyboarded the five minute animated sequence for “Fourteen, Frets and Faith” and two sequences for “No Isn’t A Dirty Word”.
- Gathered reference images and textures.
- Participated in story development.

| SFX Assistant; “X-Men Origins: Wolverine”, December 2007
Wolverine Films PTY LTD

- Responsible for operating a plasma cutter in conjunction with CAD programs to create essential parts for special effects equipment and vehicles.
- Communicated with team members to develop accurate CAD designs and cuttings.
- Assisted technicians in a number of areas including painting, cutting, grinding and cleaning.
